ADDENDUM B

TO

REQUEST FOR PROPOSALS

No. RFP F05-011

PROVIDE AFTER SCHOOL (A+) SERVICES
FOR THE DEPARTMENT OF EDUCATION (DOE)

The questions from the RFP Orientation meeting held on October 20, 2004 are listed below. The following answers are hereby provided.

Q1: Will a tax clearance be required?

A1: Yes, an original tax clearance will be required at the time the contract is awarded, but not at time of proposal.

Q2: What is the wage certificate? Is it different from the Federal Certifications?

A2: The wage certificate will be required at time the contract is awarded. For more information about wage and labor law compliance requirements, refer to Hawaii Revised Statutes section 103-55. this is available online at <http://www.capitol.hawaii.gov/>. The Federal Certifications will be required at the time the proposal is submitted. The Federal Certification form can be found in Section 5 of the RFP.

Q3: The RFP references "Applicant" and "Contractor" at various times. What is the difference?

A3: Applicant and Contractor are used interchangeably in the RFP. The Applicant is the entity who submits the proposal but may become a Contractor upon award of the contract. There are some things that would be required of the Applicant when submitting a proposal, but would not be required unless the Applicant is subsequently awarded a contract.

Q4: Will there be any changes (additions/deletions) to the school sites currently listed in the RFP? If so, what will be the deadline for these changes?

A4: Yes, there may be school sites added or deleted from the RFP. If so, an addendum to the RFP will be issued for changes in school sites will be issued on or before December 15, 2004.

Q5: Is the reference to 2003-2004 surveys in the Output and performance/outcome measurements (section 2) correct?

A5: Yes, this applies to current A+ Contractors who are required to submit the surveys from the last complete service year to the A+ District coordinator.

Q6: What is the current A+ enrollment for the sites listed on the RFP?

A6: Please see table below for the current RFP school sites and corresponding enrollment as of September 2004. Enrollment for additional sites (if any) will be provided at the time the addendum is issued.
